**STATEMENT BY YORAM GILL IN SUPPORT OF PETITION TO REVIVE
UNINTENTIONALLY ABANDONED PATENT APPLICATION**

Sir:

71A, HOREV ST. HAIFA ISRAEL

I, the undersigned, Yoram GILL, a citizen of Israel, whose address is ✓, do
solemnly declare, as follows:

1. I am the sole inventor and applicant in the present application.
2. In August 2004 I received a letter dated Aug. 15, 2004, from my Israeli patent attorney, Adv. Doron Sieradzki, reporting the issuance of a final Office Action dated July 1, 2004.
3. A few days later I telephoned Adv. Sieradzki, requesting generally that he proceed with the application to issuance.
4. I have other patents and pending patent applications and have been in contact with Adv. Doron Sieradzki regarding several patent cases over the past few years.
5. I am aware that the US Patent and Trademark Office sometimes has delays of several years in issuing patents, and therefore, I was not surprised that after this instruction, I did not hear back from Adv. Sieradzki. Nor did I follow up with an inquiry on the status of the case.

6. On January 25, 2007, I contacted Adv. Sieradzki to inquire about another patent case and incidently inquired on the status of the present application.
7. In response to my inquiry, on January 26, 2007, Adv. Sieradzki informed me (to my great surprise) that the application was abandoned, due to a confusion on his part with one of the priority applications, IL 139801, which I had intended to abandon.
8. I had not intended to abandon the other priority application IL 144800 (actually it is in the process of Examination by the IL patent Office these days), nor the present US patent application.
9. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

The undersigned further declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity in the above-captioned application or any patent issuing therefrom.

Respectfully submitted,

**STATEMENT BY DORON SIERADZKI IN SUPPORT OF PETITION TO REVIVE
UNINTENTIONALLY ABANDONED PATENT APPLICATION**

Sir:

I, the undersigned, Adv. Doron Sieradzki, a citizen of Israel, whose address is 6 Mapu Street, Haifa, Israel, do solemnly declare, as follows:

1. I am an Israeli advocate and patent attorney, representing the applicant in the present application in Israeli patent matters.
2. The present US patent application claims priority from two Israel patent applications: IL Patent Applications No. 139801 and No. 144800.
3. After filing the present application in the US Patent & Trademark Office, I was instructed by the client to abandon one of the priority applications, namely, IL Patent Application No. 139801. The other priority application was not abandoned, and is still pending.
4. The final Office Action in the present application, mailed on July 1, 2004, issued for the present application, and was reported to the applicant by my assistant, with a standard reporting letter.

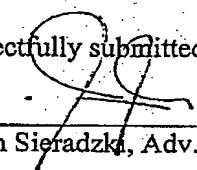

APPLICANT(S): GILL, Yoram

5. Shortly thereafter, the applicant Mr. Gill, called and asked me generally to file a response to the final Office Action, which would place the application in condition for allowance.
6. However, by my error, on the date on which the required response was due, I unintentionally failed to file a timely response.
7. Upon receipt of the Notice of Abandonment dated February 9, 2005, I mistakenly believed that the notice pertained to a US case corresponding to the Israeli patent application intended for abandonment, and I therefore did not forward the notice to the client, assuming it was properly abandoned.
8. It was not until January 25, 2007, when Mr. Gill called me to inquire about the status of the present application, that I realized my mistake, and informed him that the application was in fact abandoned. To the best of my knowledge, Mr. Gill was unaware of the abandonment until this phone call.
9. Upon realizing my mistake, I immediately contacted present US patent counsel, Pearl Cohen Zedek Latzer to prepare a response to the outstanding Office action and to petition to revive the application.
10. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.
